## Task 9: Git Repo

## Task 10: Collaboration Plan

In total, we had two meeting to finish this assignment. Below is the breakdown of those two meetings.

### Meeting Outcomes:

#### Kick off Meeting : March 19, 2021

1. Figure out how to do the assignment.
2. Divide the requirements and select deadlines and goals to finish.

#### Assignment Closing: March 30, 2021

1. Make sure the deliverables are ready.
2. Integrate the individual work into a document.
3. Cross the requirements and deliverables to make sure all tasks are achieved.
